NOTICE OF MEETING

(March 20, 2000)

On December 20, 1999, the Commission issued Order No. 2000 to advance the formation of Regional Transmission Organizations (RTOs). Order No. 2000 announced the initiation of a regional collaborative process to aid in the formation of RTOs. To initiate the collaborative process, the Commission organized a series of regional workshops. These workshops are open to all interested parties. The fourth workshop is scheduled for March 29-30, 2000 in Kansas City, Missouri. During the course of the Kansas City workshop, discussion of the above-listed cases could arise. Any person having an interest in an above-listed case is invited to attend the Kansas City workshop. There will be no Commission transcript of any of the workshops, and information discussed or disseminated in the workshop will not constitute part of the decisional record in the above-listed cases, unless formally filed in accordance with Commission regulations.
